

## STUDY VISITS OF STAFF

# LEARNING FROM THE GERMAN EXPERIENCE OF COOPERATION

(21.-27.11.2021, including arrival and departure)

**Target group:** staff of the Ukrainian partner-HEIs and partner-organisations who are involved in teaching pedagogical or psychological courses at vocational teacher training study programmes /or mentoring teaching practice of students of vocational teacher training study programmes / or management and coordination of vocational teacher training study programmes and curricula / or management or coordination or research of vocational teacher education at the national level (applies to non-HEI partners)

**Goal:** to introduce the staff to the practical experience of the University of Konstanz on the implementation of the effective cooperation in vocational teacher training what concerns teaching, research, management and governance

**Expected outcomes:** the staff

- acquire necessary knowledge on the functioning of cooperation in vocational teacher training what concerns teaching, research, management and governance on the example of the University of Konstanz;
- can critically reflect on the possibilities of adopting the introduced elements of cooperation in the Ukrainian context at the institutional and/or national level;
- contribute to the establishing of partnership-governance at the respective organisation (details defined by the respective project team) or at the national level;
- can apply gained knowledge and experience in the professional activities.

**Requirements for participation:**

- be involved in teaching pedagogical or psychological courses at vocational teacher training study programmes / or mentor and coordinate teaching practice of students from vocational teacher training study programmes / or manage and coordinate the vocational teacher training study programmes and curricula / or manage, coordinate or research vocational teacher education at the national level (applies predominantly to the non-HEI partners);
- be motivated to contribute to the improving vocational teacher training and enhance better cooperation and communication between stakeholders at the institutional and/or national levels;
- not be the key personnel of the PAGOSTE project team at your organisation, or at least not the contact person of the project team;
- have English language proficiency at least B2;
- meet the entry requirements for Germany;
- be employed by the partner-organisation.

Additional criteria may be applied by the respective project team depending on the situation at the organisation.

**Task upon the completion of the study visit:** present or disseminate your experience to your peers during a workshop, conference, chair meeting etc.; contribute to the implementing of the partnership and cooperation mechanisms implemented at your organisation (as required by the project team at your organisation) and/or at the national level; apply the gained knowledge and experience in your professional activities.
